The liability to disease is greatly lessened when the blood is in good condition, and the circulation healthy and vigorous. For then all refuse matter is promptly carried out of the system; otherwise it would rapidly accumulate
—fermentation would take place, the blood become polluted and the constitution so weakened that a simple malady might result seriously.

A healthy, active circulation means good digestion and strong, healthy nerves.

As a blood purifier and tonic S. S. S. has no equal. It is the safest and best remedy for old people and children because it contains no minerals, but is made exclusively of roots and herbs. No other remedy so thoroughly and

effectually cleanses the blood of impurities. At the same time it builds up the weak and debilitated, and renovates the entire sysvates the entire system. It cures permanently all manner of blood and skin troubles.

Mr. E. E. Kelly, of Urbana, O., writes:
"I had Eczema on my hands and face for
five years. It would break out in little
white pustules, crusts would form and
drop off, leaving the skin red and inflamed. The doctors did me no good. I used
all the medicated soaps and salves without
benefit. S. S. S. cured me, and my skin

BIJOU-High-class vaudeville at 8:30.

When the Bijou is entirely completed and all its trimmings and furnishings are In place the theatre will be one of the prettiest on the vaudeville circuit. Even in its unfinished state there are pretty

in its unfinished state there are pretty manifestations of what is to come. At the opening last night there was a most representative audience. In one of the boxes sat Mayor Taylor and party, and the other Colonel John Murphy and party, and the family circle and body of the house were packed with people so that standing room was at a premium.

The old familiar attaches were in their places. A large and beautiful horseshoe of roses was a splayed in the foyer, a gift

of roses was a splayed in the foyer, a gift from Bennett and Young, the popular Hustrated song men.

The bill was a high class one from start

the bill was a high class one from set to finish, and each act was an artistic success. Brown and Harrison started the evening's amusement, and their eccentric act was flattingly received; the Chicago Ladies' Quartette followed with a choice selection; Almont and Dumont, high-class musical artists came rext, and were musical artists came next, and were doubly encoured: Miss Louise Gunning, an "Scotch Nightlingale," sang several real Scotch songs and 'Annie Laurie;" the Barrows-Lancaster Company than presented their popular comedy, "Tactics," followed by Sidney Grant and Mass Norton in a splendid sketch, The performance consplendid sketch. The performance con-cluded with an aerial act by the marvel-lous "Taree Lukens," and the addence declared that the entire show was well up

to the Bijou standard.

The same bill will be given all week, with matinee this afternoon.

The indications are that Jefferson De

Angelis will be greeted by a crowded house at the Academy to-night, when he Presents his new success, "A Royal Rogue." It is in two acts and is located in Paris in 1797. It deals with the troubles of a boulevard cafe proprietor who gets mixed up in politics and love. It is from the pen of Charles Klein, who wrote "El Capitan" and "The Charlatan," and the music is by that clever and popular com-poser, William F. Francis. While Mr. De Angelis does not call "A Royal Rogue" a comic opera, it will have a comic opera stage mounting, with special and elaborate scenery and magnificent costumes. It will be a novelty to see this really ciever and pular comedian in an atmosphere any thing different from the regulation old-fashloned com'c opera. It is hardly neces-sary to say that this artist would have any but excellent support, and his com-pany is said to be in keeping with the reputation he has already established. His principal support is Miss Jessie Mackye, a talented young comedienne, who s said to be as thry as she is charming. "A Stranger in a Strange Land," which

is to be presented at matinee and night per-formances on Friday, is an Anglo-Ameri-can farce in three acts, a roller coaster f complications, whose speed keeps up the whole way along, and provokes plenty of laughter. The story is of a returning youth who, to prove that he has engaged In ranching in America, is supposed to bring an Indian to his English home. The redskin gets lost on the trip and another Indian must be substituted. A real one is found, another is faked and a de assumes the character of a third.

JUDGE PAUL'S COURT.

The Convent to Be Removed from Abingdon to Wytheville.

(Special Dispatch to The Times.) ARINGDON, VA., October 8.-The fall term of Judge Paul's U. S. Court will

continue for several days yet, The Grand Jury returned true bills against 72 persons, the number of indictments being only 62, and there were 10 cases returned not a true bill. Of the 72 cases already disposed of, 42 plead guilty, 11 were convicted by juries, 5 were acquitted and 20 were dismissed. Seventytwo cases were continued, no arrests hav

ing yet been made in 55 of them.

There is great regret at the prospect of the removal of the Catholic Convent and its excellent female school from this town to Wytheville, the fine property in the latter town, known as the Wadley property, containing some fourteen acres, having been purchased for the Convent. This is one of the most beautiful pieces of property in all Virginia.

A New Water Supply for Petersburg Is Being Agitated-The Water Declared Unfit for Domestic Purposes-A Marriage.

(Special Dispatch to The Times.)
PETERSBURG, VA., October 8.—A gentleman connected with the Petersburg from Works Company said to-day that it is not at all probable that the works will be removed from Petersburg. That company will use the property recently purchased on James River for shipbuilding purposes, if it should decide to enter largely into shipbuilding. But should this be done, the plant in Petersburg will not be moved, but will be operated there as long as it does business at a profit. ELKS BAZAAR.

Not Elks alone, but business men also, are taking considerable interest in the bazaar to be given by the Petersburg Lodge of Eiks in November. The ladies will have charge of it, and success is already as-

sured. Thomas M. Gilliam will hardly be tried at the next term of Prince George County Court, as Miss Nannie S. Sterne, the main

witness, is still too ill to appear.

The question of a new water supply for Petersburg is being agitated, and tor Petersourg is being agitated, and the recent analysis by State Chem-ist Taylor, which shows the water to be unfit even for domestic pur-poses, may stir the city authorities to im-mediate steps towards giving the citizens better water.
